

Kenneth Brown

April 23, 2023

Kenneth R. Brown

August 08, 1959 – April 23, 2023

It is with heavy hearts that we announce the passing of our father Kenny “KB” Brown, who passed away peacefully surrounded by his loving sons on April 23, 2023 at the age of 63.

Kenny was a beloved father and friend and will be deeply missed. Kenny was survived by his mother Nita Brown, brother Joey Brown, his sons Dawson, David, Daniel, and Dalton Brown, their wives, and 10 grandchildren.

Kenny was born on August 08, 1959 in Birmingham, Alabama to Joe and Nita Brown. He grew up in Birmingham and attended Minor High School and Jefferson State College. He went on to pursue a successful career in information technology. He worked for Sanmina SCI as well as Huntsville Hospital during his time in North Alabama. Kenny was a passionate and dedicated member of the Monrovia community who played an instrumental role in promoting and supporting youth sports. Kenny helped start the Monrovia Parks and Recreation Association (MPRA) as well as serving as Commissioner for 7 years. His contributions to the Monrovia community will continue to pay off for years to come.

He will always be remembered for his love of Alabama Football and golf which carried on into his sons lives in many ways. All four of his children received athletic scholarships to continue their education at the collegiate level. Something he had worked so hard for and was so proud of. Kennys love for golf will continue to carry on for generations, connecting his family through a shared passion for the sport and keeping the memory of their father alive in the hearts and minds of his sons and grandchildren.

A private beach side memorial service will be held at Fort Morgan. Kenny will forever be in our hearts and may we all always remember the many memories he left us with.
