“*Krystal-Rose Renee` Hancock was born on December 27th, 1988 in Long Beach, California while I was in the Navy. She is survived by her sisters Tina, Stayce and Cassy, her brother Krystopher, her father Don and mother Debbie.*

*Her mother wanted to name her "Rose Renee`" but I said that sounded like a hooker's name, so we settled on the hyphenated "Krystal-Rose Renee`" - an anomaly she jokingly bitched about her whole life! "Nothing supports having a hyphen in the first name, dad!" she'd always say.*

*As a boisterous, active child she loved to held upside down and flipped onto a sofa or cushion while hanging upside down by her ankles. She could stand straight up when held only by the ankles from a very young age. By the age of 3 it seems like she'd spent more of her time upside down than rightside up.*

*By the age of 12 she'd been tested by the school system at a 12th grade reading level.*

*She graduated high school a year early by taking BOTH junior AND senior classes at the SAME TIME and moved down here to Alabama to be with us.*

*She will always be remembered as "The Princess" and I can absolutely see her in all 3 of her girls (ages 10, 9 and 7).*

*She is already sorely missed....*

*R.I.P. "Little Girl"*

*Now, Forever A Princess.*

*Dad*

“ My Condolences to Krystal's family.. We knew Krystal since she was a child.. my mom and her mother where friends here in Oregon, I didnt get to know her very well through the years.. but within the last 4 years she came in and out of my life.. i will always remember the fun times we had.. swimming at the river, playing cards, and playing monopoly.. (I always won) - The Lord took a wonderful soul back home that day.. and she will never be forgotten in our home.. we loved Krystal for the caring and wonderful person she was.. and it deeply saddens me to know shes gone.. to know i will never get those facebook messages or video calls from her again breaks my heart.. we love you krystal.. and we will see you again.. its never good-bye.. just until next time.. but until then take comfort in knowing you where loved by many in this world.. - Much Love Travis.
