“ To the family of Major Larry Lowe: I had the distinct pleasure of serving with Major Lowe at Little Rock AFB; he was Field Training Detachment Commander. i was the Avionics Flight Chief. Major Lowe was a great commander, an excellent mentor, and he was a wonderful friend. Although i have not seen him for quite a few years, we maintained through Facebook. He will definitely be missed.

“ To Susan and all of L2's family, I just heard of Larry's passing and wish to convey my sincerest condolences. I served with Larry in the Air Force at Little Rock AFB while he was commander of Field Training Detachment 310 where I taught. Larry was a great commander and we shared many fond memories through the years that we served there. Although we stayed in touch on Facebook I regret that I was not able to visit him and Susan in person. I will miss him and forever cherish the times we shared.
