“ *Written on the behalf of my husband, myself and our son. We offer our deepest sympathy for your loss. My husband, Scott worked with Larry before his retirement and always spoke highly of him. I only met him once along with his family during a brief visit to their home. He was without a doubt a good person and spoke of his love for biking. I have to say that we will never pass a bike lane without thinking of him. Our prayers are with you during this difficult time and we offer you our sincere condolences.*
