“ Dear Buddy, my sincerest and deepest sympathies for your family's loss. I remember our getting together after our senior prom and going to the Hub Club for a late night snack. I am very sorry for your loss. Because of Laura's deep religious views the good Lord will be watching over her for eternity. If there is anything that I can do to make this very difficult time easier for you, please let me know.

Your dear Friend, Gary Newport

“ I worked with Laura for several years before she moved to Foley Ala. I remember when she was diagnosed with breast cancer after her surgery several of her friends got together and decided how to better assist her recovery. I got to give her a shower and shave her legs. I feel privileged to have been able to do that small but very appreciated favor for her. Buddy I'm so sorry for your loss same to Carmen and Coleen. Praying for strength for your families in the days to come.

“ "Miss Bea", Laura's mom, was perhaps my departed mom's best pal. We visited with her often, and she us, and Laura, a year younger than me, was always a fixture as I grew up in our small town. A simply great christian fly.

Laura Lee was not only my cousin but a very sweet lady. I was lucky enough to live in Morgan City for a few years and have her as my nurse when I was pregnant with my second child. Buddy, I'm so very sorry for your loss. I know you miss her terribly. Much love to you, the girls, and their families.
