“ *As we get older, we realize how important family is, and how great a gift it is to have fond memories of family. I have such good memories of our visits to Memphis to see Uncle Ira, Aunt June, Kim, Gwen, and Leigh Anne. I am heartbroken that Leigh Anne is no longer with us. Thank you, Leigh Anne, for the beautiful soul that you were and are. May you dance with joy for eternity.*

“ One couldn't ask for a better friend than Leigh Anne. She was kind, caring, fun loving, and nonjudgmental, just to name a few of her wonderful traits. I still fell her presence, as well as Bobs's, and I know I will carry them in my heart forever. Leigh Anne, you were one in a gazillion!

“ The news of Leigh Annes passing broke my heart I had seen her in a passing glance at my apartment complex and then I hit her up on FB messenger and we chatted and decided to get together and chat. This news was devastating. My thoughts and prayers are with the families. Heaven gained an angel. I'm sure she is by Bob's side looking down upon everyone and she will be the guardian angel to everyone dear to her.

“ I’ve only been a part of the family for a short time. But in that short amount of time, I grew very close to Leigh Anne. I don’t have any family around here, so not only was she like a mother to me, she became my best friend. I’m going to miss her goofy self, and how much she loved my babies. We love you!
