

Leiloni Sue Roode

October 17, 1953 - June 23, 2019

Leiloni S. Roode went to be with her Lord and savior on Sunday, June 23rd, 2019. A wonderful Mother to her 2 sons, Justin H Roode of Fairhope, AL; and Beau D Roode of Foley, AL. Leiloni made the most important decision of her life July 4th weekend 2011 when she was Baptized for the remission of her sins arising to walk in newness of life. From that point forward she continued to study and grow closer to God until the very end. She had an incredible love for the outdoors. She spent a lot of time exploring Gods wonderful creation at state parks, campgrounds and beaches. She was an animal lover who was blessed with some of the best dogs ever! Cooper who was there at her side thru her illness, and Momma Sam who was the family golden retriever in the late 90's. She loved the water and shared that love with her family. She taught her sons and grand daughters to have an appreciation for the water, all of whom are great swimmers as a result. She was a successful real estate investor which allowed her to spend time by Lake Michigan during the summers and the Gulf of Mexico during the winters. She was blessed to have some incredible friends whom she was close to till her last days. The cancer never broke her spirit and her example of strength and peace will live on thru her friends and family. Truly a life well lived!
