“ This lovely lady was like an extra grandmother to every child of First Presbyterian Church. She introduced me to folks as "one of her girls." That means I wasn't the only one she considered to be one of her kids. She changed our diapers in the church nursery (so I'm told), she taught us lessons of the Bible, and taught us how to love each other by the unconditional love she shared with each of us.

She was fearless. She didn't drive herself, but regularly volunteered her car for youth outings and trips, then let one of the older teens do the driving while she came along for the fun. Getting to drive the car was like a right of passage!

She will be sorely missed by so many. Let us all do our best to pass along her legacy to others.

MY

“ Mrs. Lillian will always be a jewel in my life. My first memory of Mrs.. Lillian was when she was my Sunday School Teacher when I was a very young child. She was a not just a Sunday School Teacher but a good friend. When I was a teen she drove a group of us youth to Rock Eagle for a weekend camp in Georgia. Bless her heart..how did she ever put up with us? She leaves behind a lifetime of wonderful memories.
