“ We became friends with Linda in 2002 when we purchased a condo at Phoenix V, and have kept in touch ever since. She was always extremely helpful to everyone she came into contact with, and was even willing to loan us some of her (many) personal tools. We met Linda and Fred for dinner one evening, and the love they shared for each other was obvious. She will be missed by many... Harold & Pat Sarver

“ Remembering Linda from the many years she worked at the Phoenix Condominiums in Orange Beach, Ala and sharing a friendship with her that continued until her much too early passing. The love of her family, including her daughter, granddaughter and parents was her brightest light. Sincere condolences to Linda's family.
