“ Ms Lola was a special person! We hit it off right away on her first visit to Pleasant View Baptist Church. She was in a very tender place, having recently lost her husband, but trying to get out and get on with living. She visited more and more often and we always had great conversations. She joined us on Christmas Eve in 2024 for a service at Anchors Away RV park that my friends who are chaplains there were hosting. We went to supper at Waffle House afterward and had a great time just getting to know each other even more. During 2025, she got more active in church and expanded her friend circle significantly. I loved her stories - she was a woman after my own heart - loved music, dancing and just having a great time. She will be missed so much but I know I will see her again! And we will dance!
