“ My mom and Avery had a sweet bond and I’m just do thankful she got to know Avery before she passed. She was a great mom and one of the best friends I ever had. I know I’ll see her again one day in Heaven. We love you and miss you mama. You’re our angel now.

“ Lorene could play the piano and other musical instruments "by ear". She never had a lesson, just hear a tune, then play it. She was lefthanded. She was always friendly and knew someone who could help you if you came to town and needed something. She loved to go to the boats in Biloxi and would spend all night sitting at a slot machine. When younger, she was always sporting a dark tan that looked much darker next to her blonde hair. It is still hard to believe that she is no longer with us. I will miss her. Lois
