“ Sweet Lorna works for my wife Linda and myself for 20 some years. She was like the rock of Gibraltar and was so dependable and my wife and I loved her. I am living in the North now and I'm 82 years old but I will never forget Lorna. Linda has been gone for many many years but if she were here she would want me to praise Lorna. She kept me on an even keel and had it an incredible sense of humor. To the family, please know that I and deeply sorrowed to know that she is no longer with us here. James Monroe
