“ Too many memories, laughs and good times with Lynne to put here in a few words...everyone that knew her knew exactly what she stood for and all those she loved...Lynne was Lynne and that's why she was loved and respected right back. Until we see you again, dear Friend...Nancy Michael

“ I worked with Lynne as Garmin's Inside Sale Rep. I was fortunate to meet her in Gulf Shores at a Garmin Installer Training a few years ago, in which I invited her for lunch and an outing on the boat for the afternoon. It was always a pleasure to speak with her on the phone and I will dearly miss her. My prayers to her husband and entire family. We lost a great lady. Spread your wings and fly. Debbie Brown

Stanley and family, so sorry to hear about Lynne. I did not know her but she had to be a very special lady to belong to you. There will be difficult days ahead but God will see you through. Depend on Him in the days ahead. I never knew how it would be until Dunc passed away last March. God is the only one who can help you through these sad days. God loves you and so do we. If I can be of help, please call on me. ❤️ Charlotte and Family
