“ *My grandmother was a wonderful woman! When I got in trouble one time she had my back! One day she gave me chocolate when I was sad. One time when I was 9 years old we went to the store she was driving so fast but not to fast we was telling jokes and we was laughing so hard she missed the drive way and said looks like we're not going home lol. Then she told me not to tell my mom or dad why we were so late! It was fun. Me n her was best friends! I will miss her a lot but I know she is in a better place now!!*

“ My mother I in law was a very caring loving sweet wonderful lady! She was the type of person you could open up to her about anything and she didn't judge one bit. She loved her grandchildren even her step one. I was so glad she got to spend some time with Acelynn and was there for her birth. She was there for me when my father passed and she has been here for me for the past 7 1/2 years. So at the end I took care of her and never thought I could do that but I did and would do it all over again. In my eyes she was not my mother in law she was my mother!! She was my everything!! We will miss her extremely!! I love you forever and always!! Fly high mom!!

“ *What can be said of Marcia? She was a great woman and an even better grandma with a huge heart, full of love for everyone. I remember as a kid I would go to work with her; she cared for an elderly man for a while and when you looked at her you could see the light shining in her soul.*
