“ *Dearest Mags, I am proud to have known you. So much joy you brought when you were around. Always helping people and offering encouraging words. The love you had for your grandchildren was amongst the greatest of them all. You were always so proud to share about them with me. I am so glad you met Jeff and had great happiness. I know you are looking down upon your family now and we will miss you here on Earth but we will meet again my friend . Goodbye for now but not forever - with love your friend , Jamie Claprood*

“ *I recall her sweet smile, twinkling eyes and her laugh. The last time I saw her was when she came by my office one day with her niece, Lily, in tow. She was pleased that Lily's hair seemed to be turning out red. Even as a child Margaret liked to help. She played secretary for her dad, Byron Sr.*

“ *I am going to miss Margaret immensely. we have been friends for over 30 yrs. we went from me watching her infant son while she ran to the store, to sneaking out, to me crashing on her couch, to club hopping, to her watching my infant daughter to watching grandchildren grow, class reunions, good times, sad times, happy times and sick times.*

She was always a shoulder and I'll miss her dearly. we grew up together in many ways and I know her family will fill a huge void with her passing.

My condolences to all.
