

Margaret Farr

August 20, 2021

Mrs. Margaret Celina Farr, 82, peacefully fell asleep in death at her home in Robertsdale Alabama on Friday, August 20, 2021, from complications related to Covid19.

Margaret, or Margie as she was affectionally called, was born in Dade County Florida in 1939 to Mr. and Mrs. John Andrew Dorgan. She married J.W. Ralph Farr, Sr in Houston Texas in 1959 and they eventually relocated to Baldwin County. Together, they raised eight daughters and one son. Margie fulfilled her role of Wife, Mother, Grandmother and even Great, Great Grandmother with grace, enthusiasm and humor. Although she was a private person by nature, she still endeared herself in the hearts of her countless nieces, nephews and other family members. Her personality is best summed up in one word, sweet. Margie is preceded in death by one daughter, Alissa Joan Farr and two Grandsons, Troy Dwain Sanders and Brian Jay Middleton.

She is survived by her husband, J.W., seven daughters, Celina, Lydia, Lynn, Laverne, Lizette, Leita, Lynette and one son, Jay, as well as 23 Grandchildren, 20 Great Grandchildren and 2 Great, Great Grandchildren.

The Farr Family would like to invite all to attend a Memorial Service on Sunday, September 26th. In person attendance is reserved for her immediate family. There will be a Zoom service for all others wanting to attend. The meeting ID is 2512345679 and the password is Amen. Login begins at 2:00

and a brief Eulogy will be given between 2:15 and 2:30. Please reach out to us if you need assistance or have any questions. Much love, The Farr Family.

“ *Lydia and families our sincere condolences*

*Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear.*

“ This was shared with me by Joylee Johnson Zimoneck. She gave me permission to post....

Most of my memories are of all the close Sisters and their families going to assemblies together and the Rdale KH. (I remember districts where all of Lydia, Margie Clara and us were there). Family reunions that everyone was there. Her getting on to us for playing basketball in y'all's yard and trampling her Tree. (it was literally a stick growing out the ground at that point). But she didn't let it slide. Her making lunch for 7 plus girls tanning across her lawn. And, always laughing so hard with the sisters they peed themselves. I know we will get to do this again . But maybe perfection will fix their laughter bladders. Haha
