“ I am so sorry to hear about Marty. Al you and the family are in my thoughts and prayers 🙏. I have a wonderful memory of Marty with my granddaughter Hope who came to her first VBS at age 6. Hope has diabetes really bad and Marty was assigned to take care of her every day that year to make sure she was able to participate in all the classes and if she had a high or low Marty brought her to me so I could do a blood check and give her insulin or food. Then on to the next class they went. Marty was so precious taking care of my baby granddaughter. She will be missed.
