MARK LESLIE LEMKE

Mark Leslie Lemke, age 74, passed peacefully in Fairhope, Alabama on Friday, September 30, 2023 and entered eternal life after a difficult battle with MDS, (Myelodysplastic Syndrome). Mark is survived by his wife of 41 years, Elizabeth (Klingman) Lemke, brothers Dennis Lemke and Terry Lemke (nephews - Josh & Jared). Mark is preceded in death by his parents, Lester Lemke and Elaine Lemke.

Mark received a BA degree from the University of Wisconsin/Whitewater. He had successful careers with: Johnson Controls as an Account Executive, Carrier-Parker Electronics as a Regional Sales Manager and Honeywell as a Sales Engineer. He spent his life staying active with his wife Elizabeth, his best friend, a husband/wife bond that could not be matched. They were still on their honeymoon during their 43 years together. They both enjoyed music, snow skiing, boating, camping, fishing, tennis and Pickleball. Mark also had a great passion for playing basketball for many years. He cherished life's simplest pleasures, (eating a home cooked meal and spending time with his many fur babies). He loved getting together with his friends and sharing his great collection of music. He was a loving husband and a gentleman in every way, an honest, kind, gentle soul and a generous man who never thought of himself first. He won the hearts of many lifetime friends with his quick wit, sense of humor and heartwarming personality. To say he will be missed is an

understatement! His was a Beautiful life gone too soon. He has left us with Wonderful memories that will Forever be in our hearts.

A Special thank you to all our family and friends for their prayers and support through Mark's illness. We are Grateful for the Heartfelt Hospice care Mark received. His care was Immeasurable and will always be a source of Peace and Comfort!
