

Marlene A Randall

July 14, 2025

Marlene Alise Bolter Bethel Ferris Randall

December 19, 1951 - July 14, 2025

With heavy hearts the children announce the passing of their mother, Marlene Randall. She left this world on July 14, 2025 surrounded with all the love of her family.

Marlene was a strong independent woman, beyond measure, a true force to be reckoned with. Marlene was unapologetically herself: stubborn, blunt, and fiercely loving. Her heart was as big as her personality. Marlene had a way of making everyone around her feel special, like family.

Marlene was the kind of woman you simply could not forget. Marlene had a magnetic presence, sharp wit, infectious laughter, and had a belief that she was the funniest person in any room (truly she was). Marlene's cooking brought people together, everyone loved her food, and her kitchen was the heart of the home.

Marlene above all, and more than life itself, loved her children and grandchildren deeply. Her pride in all of them endless. Her love for them, unwavering. Marlene leaves behind a legacy of strength, resilience, humor, and joy. Marlene will be missed terribly.

Marlene is survived by her daughter Chantel Jandak, her son William Bethel (Gina Bethel), and her daughter Cyrse Hall (Cory Hall). Marlene is also survived by her beloved grandchildren, JB and Luke Jandak, Josilyn, Ayden,

Graisyn, and Brantly Hall, and Angelica, Newt, and JennaVeve Shawcroft. Great grandsons Gabriel Jandak, Phenoix and Fox Shawcroft, and Ermias Fuentes.

Marlene is preceded in death by her mother, father, siblings, and many friends.

Marlene's memory will live on in the laughter she brought, the meals she made, the sage advice she has given many, her children, and beautiful grandchildren. Marlene will be deeply missed and forever cherished by her family, many friends, and all who were touched by her bigger than life presence.

We love you sooooo much Mom!!! We love you more!!!
