“ I will always remember the fun my son, Rod Phillips had playing with MO and Tucker when he visited his Grandmother, Mary Culberson.
My deepest sympathies to you.

“ It was a privilege to know Mo; in spite of his illness, he found the energy to care for others. He always wanted to know how I was doing and asked about my day or week. He offered me water or a soft drink when I visited and took pains to make sure I was warm enough when we sat outside under the carport. He had a deep love for his family and talked with joy and pride about his children. I'm thankful and honored to have spent a bit of time with him and his loving family.
