“ *Martin was a Foley High School Class of 1969 graduate. He was also my neighbor growing up. If any of his sisters would reach out to me, his classmates would like to hear how his passing came about. Last time I saw him, his legs & feet were improving. I saw him many times at Winn Dixie when I was Cashier, then I moved to Floor and did not see him. Was thinking that we kept missing seeing each other due to my new position!! My heart is so sad. I will certainly miss you but will see you again one day at the PEARLY GATES of Heaven. Rest In Peace, my friend and FHS Class of 1969 Classmate.*
