

Mary Alice Baker

March 19, 2019

Arrangements are pending

Tribute Wall

RP

“ While I did not know Mary personally, I do know her husband Ernie through our mutual association with DAV. Her passing is a sad event for her family and friends. My sympathies go out to Ernie and his family for the loving care they provided Mary in her final illness. May the loving memories they share as they remember Mary in good times past as wife and mother far outweigh the memories of her final illness. Rick Patterson
