

Mrs Mary Sannes

July 24, 2016

Mary Louise Sims Sannes passed away on July 24, 2016 at 9am. She was 91 years old born in 1925. She is survived by her five children, Bob Sannes of Indianapolis, IN, Betty Hamilton of Portland, OR, Penny Sannes of Elberta, AL, Bill Sannes of Elberta,AL, and Becky Sannes of Port Royal, SC. Mary had nine grandchildren and eight great grandchildren. She is also survived by her sister Helen McLean of Elberta, AL and preceded in death by husband Norman, parents Hugh and Louise Sims, and sister Margaret Osann.

Mary was raised in Alabama with her two "ya ya" sisters enjoying the farms and countryside of little Cottonton, AL. After graduating high school she worked in Mobile then took business classes for an office job in Washington D.C. She was one of many women who came from the south during WWII to work along side the Navy WAVES. Mary met Norman Sannes in D.C. and they were married in 1947 near the Capital.

After raising her five children Mary worked in retail part time to get out of the house. She was a homemaker for 30 years in Indiana before she and her husband retired to Josephine, AL where her mother Louise was living and Mary lived another 30 years with Norman.

We will dearly miss our sweet mother.

“ Dear cousins,
Gary and I have been thinking of and praying for you so often since news of your mom's illness. She is in heaven now with the love of her life. We hope you feel God's peace and have wonderful memories of your mom for years to come. We will cherish the memories of the special times at the ND farm and fishing in MN with your parents and Donna's. And we will forever remember their laughs and gentle spirits!

“ I will miss my Aunt Mary so very much. Not to many know that I was named after my moms two sisters Mary and Margaret. Molly is a nickname for Mary. She loved to get together and play games with me and mom and anyone that would join in. She loved her children and family so much. I always loved hearing childhood stories about the three sisters living in the country in AL. Some of the stories were a little scary. I had a wonderful vision on the morning she died of Mamaw , Granddaddy, Norman, my dad, and Margaret holding out their arms welcoming her home. We are heartbroken but we know we will meet again. “ Too all my cousins especially in the Sannes family. In so many ways we can celebrate Aunt Mary's life. She was an awesome Aunt. We always loved when Aunt Mary/Uncle Norman would come for Christmas. That was so special to me and the family. When Tiff was just a month old, they came for Christmas at our house. So much fun we had dressing Tiff up with Aunt Mary, All of my kids loved for them to come to our house. We always enjoy family Christmas dinner with them.

Both of them will be missed, but never forgotten. Their memories we will share in our family from generation to generation. I'm sure they are together eternally.

“ My youngest memory of Aunt Mary is visiting the family in Bloomington Indiana when I was in kindergarten. It was my first long trip with my family. The highlight of the trip was the night a tornado came. We all ended up in a flooded basement and the next morning we walked around the neighborhood surveying the damage.

We did not get to see the Sannes family very often growing up, but that changed when Aunt Mary and Uncle Norman moved to Elberta. It was a joy getting to know them better. We had many breakfasts at Raleighs and I got to be there for she and Uncle Norman's 50th wedding celebration.

I will miss her sweet smile.

“ Mom was such a gentle, sweet soul. She always looked so pretty with her beautiful blue eyes, sweet smile.... and she never looked her age. She dedicated her life to raising 5 children and taking care of a husband and home. I loved her sweet southern accent too. I will miss her greatly. Mom's are so special in our lives!
