“*Maynard was my Teacher and basketball coach at St. John's Lutheran in Beloit Wisconsin. Our family would have nice visits with Maynard and Joyce when we would vacation to Orange Beach Alabama. I always looked forward to seeing them in church at St Judes on the beach in Gulf Shores.*

*“The Lord bless you
and keep you;
the Lord make his face shine on you
and be gracious to you;
the Lord turn his face toward you
and give you peace.”*

“ Maynard was a friend, weather it was on the golf course, at so so very many of the Wisconsin Snobird events, cruising, parties or being a temporary neighbor at Romar Tower in the winter. Maynard was a cook a golfer a volunteer a person you could talk to but never had a bad word about anyone.

Our sympathies to his wife Joyce and his sisters and nephew. God Speed my Friend

I thought on March 23rd, I wonder how Maynard and Joyce are doing. I am saddened to see that Maynard is no longer with us. Maynard was my teacher and basketball coach at St. Johns Lutheran in Beloit Wisconsin. When we would vacation at Orange beach we would get together for an evening meal or attend church with him and Joyce at St. Judes by the sea. I know the Maynard is now at rest from his labors here on earth and is at peace in Jesus Christ his Lord. We pray that God may comfort his family as they grieve this loss in their life. May the Lord bless you and keep you. May the Lord lift His countenance upon your and give you Peace. Dan and Jenny Ludeman.

Maynard was our flag football and basketball coach, and our 5th and 6th grade teacher. Maynard and Al Jenks also organized and umpired our intramural coed softball league for students in the 5th - 8th grades. Those two men were so special in leading St. John's Lutheran grade school in the 1970's and 1980's. Maynard's method of coaching was stand/sit back and let us play. Not that he didn't have plays and methods, but he allowed us a freedom to develop and think for ourselves. He was also very supportive of us after we graduated from St. John's, attending our high school games and shaking his head right along with us at the high school coaching. He and Joyce also had one of the first earth homes that I had ever been in. My dad and I got a chance to do some repairs on the grass covered roof on it on 911 when the air traffic was shut down for those days. It was nice to get to know Joyce a bit better at that time. Condolences to Joyce and all family friends on this loss. He was a special man and I am sad that I won't get to see him or hear his deep laughter anymore on this side. He also sang parts with the hymns which inspired me in singing and made the music more interesting. I will miss Mr. Hellbusch a lot. Daniel Bauling
