“ Oh David, I don't even know where to begin. From the day you were born, you filled my life with happiness. I don't know how I will ever fill this void I have now. I love you beyond all the stars in the sky. Until I see you again my sweet son. Love always, Mom.

so sorry for the loss of David. he was a light in the lives of those who knew him. he had a huge heart and an even bigger smile. thinking of everyone who loved him. we were too young when we married and I wish I could have kept him as my best friend. he was an amazing person. I will never forget him! -elaine
