“ *I miss him every day and think of him often.*

*My big brother... swinging me around on his pinky finger.  
Me, thinking he was the strongest man in the world.*

*We didn't always see eye to eye but we always loved each other  
nonetheless.*

*He was such a good man.*

*Movies, laughs, long conversations on the phone, his spaghetti.  
I can still hear his voice.*

*His sneering laugh at his little practical jokes.  
Calling me \*squirt\*, \*Hey kiddo\*.*

*I'm very thankful for the love between us and the memories that I  
keep dear.*
