“Michelle was a vibrant, sweet person. I was so sad to hear of her passing. May you rest sweetly.

“The memory of Michelle's kind and gentle soul will remain in our lives forever. There are not enough words...please know that we are with all of you in heart and prayer.
Eternal rest grant to Michelle, O Lord; and let light perpetual shine upon her. May her soul, and the souls of all the faithful departed, through the mercy of God, rest in peace.
Love and peace,
The Aldridge Family

“Michelle was such a kind loving person! She was like a mother to me when we went through Medical Assisting school and while we worked together at Gulf Coast Primary. I always felt like I could go to her for anything. She was a great friend and coworker. She will be greatly missed by many.

“ Sweet Shell, such a radiant and genuine soul. We shared so many wonderful moments together during breaks and lunches at work. My favorite memory is during lunch one day. We were discussing how much I missed my Dad and this rough breakup I was going through when, suddenly, the biggest most beautiful butterfly landed on my arm. She gasped, immediately teared up, and said, "That is your Daddy! He is comforting you all the way from Heaven. He is letting you know you are on the right path." I can't explain the love and spirituality I felt in that moment. There are no words. It filled me up. That was Michelle, always a beacon of hope and light brightening our paths.

“ When I moved here from Canada to marry Duke’s (Allen) brother Michelle was so accepting of me and the boys, where others I believe were still unsure because they didn’t know me at all. My own family couldn’t be there for our wedding so I ask Michele to be my maid of honor and without hesitation she accepted. She was always an ear to listen and a shoulder to cry on and never judging any situation. She had the most infectious smile, adorable cackle and warmest of hugs! She was my sister in the south and I love her with all my heart. Our family will never be the same again with the loss of you. I will truly miss you with all my heart and soul. Fly High Michelle and soar with the angels pain free. ❤️

“ Michelle was such a beautiful woman inside and out. Her laugh would light up an entire room. I remember when I was moving to Texas, we had a huge family gathering at a Mexican restaurant in Pensacola. I was moving with my no husband, then boyfriend, and was scared to be so far away from my family. I went to the bathroom and started crying. Michelle came in and comforted me. Giving me the biggest sweetest hug and told me that family isnt really that far away. She had a purple tshirt with a pair of unicorns on it... that shirt was her to a T. She was definitely a unicorn. Such a kind and loving soul through and through. I love you and will miss you so much Michelle. That beautiful face of yours will always be in my heart.
