“ *Our heartfelt condolences to Roy, Rhonda, Tony and all the family. We pray that God gives you comfort, strength and courage during this difficult time.*

Monty and Janet were dear friends of ours back in the 90s. Our families used to camp together at Lake Gaston. We enjoyed many weekends together and enjoyed their company so much. They were very sweet and kind people, a loving couple, always smiling or laughing. Matt and I went to the Bahamas with Monty and Janet in 1993. We have so many fond memories of them both. Even though we hadn't seen them in years, we are very sad to hear that they have passed away.

*With prayers and our deepest sympathy,
Matt & Rose Bouchonville*

“ *I had the pleasure of serving aboard the USS Truett with Monty. He was a great 1st class Petty Officer, and he was promoted to Chief aboard her. He was a great Chief. He cared for his entire electrical division. I took what I learned from him and retired as a Chief as well. One of my favorite memories with him is when we were in Bermuda, we rented mopeds and toured the island. It was a great port of call. I will never forget him. He was a great man, and a better friend. Fair winds and following seas shipmate.*
