I feel very privileged to have spent time with them and considered them to be great friends as well as colleagues and indeed the bosses of the great Intergraph. Fond memories of great times. ❤️

“ Nancy was a friend of both Linda and myself for many years at Intergraph and subsequently when she and Jim moved and were at the hotel. She told me in Oct of 2016 that she had recently cut back on her work to part time and now only worked a scheduled 60. hours per week. She was a tough minded lady who put her work as a high priority, and also had a good heart. Our sympathy goes out to Jim and James for their loss. Maurice & Linda Romine
