Tribute Wall

“ Bill and Nancy bought our park model at Plantation Harbor. She was one of my best friends. We kept in touch. I made the heart quilt for her. She saw it on facebook and I found the pattern in Australia. The name of the pattern is “Pieces of my Heart.” I told her when I sent it to her that “pieces of my heart “ went into it. We had such good conversations after we could no longer go to Alabama. I will always miss her.
