“ Susan and Steve, you may not remember me but, when you lived in Jacksonville many years ago, our mothers were friends. My parents were Marvin and Dale Phillips and we used to live on Highway Ave. Susan, you and I used to roller skate to a fire station near where your family lived, my name used to be Yvonne Phillips, usually called "Vonnie". My brothers that you may remember were Wayne and Elliott Phillips. Our youngest brother was Mark but, I am not sure if he had been born yet when we all used to hang around together. Your mother was married to Frank Buchanan at the time. I have thought of all of you for many, many years and set out to find all of you a few weeks ago and finally got a break in my search today. I am so sorry that I was not able to find you before your mother passed away, I would loved to have had the chance to talk to her. My father, mother, and brother Wayne have all passed away. I still live here in Jacksonville. You can email me at --- vonniedale@comcast.net --- if you would like to. I am so sorry it took this to get us back in touch but, please know that you and your families will be in my prayers. Love to all of you, "Vonnie".
