Oscar H. Reed

May 21, 1945 - November 09, 2020

Oscar H. Reed lived and loved. He was a God-fearing man, a dedicated husband and father, and a friend to everyone he met. While on vacation with his bride of 24.5 years, Emma Amelia “MeMe” Wallace Reed, Oscar became sick and had to be hospitalized. He was admitted to Fannin Hospital in Blue Ridge, Georgia on October 28, 2020 and died from COVID-related complications on November 09, 2020.

Oscar was raised in Evergreen, Alabama by his parents, Allen and Bessie Reed, and with five siblings, James (deceased), Edith Nell (deceased), John, Phillip, and Louis. He was a restaurateur and baker in the Huntsville area before moving his family to Gulf Shores in 1975. Many will remember Oscar from his many years working at Gulf Shores BP, Nolan’s, or Coastal Flowers and Design, but he did so much more than those jobs.

Oscar was the father to Amy, Shunda (Teavis), and Tyson. In 1996, he gained three more children, Angie (Eric), Scott, and Michael, when he married MeMe. He was the grandfather of Jantzen, Shasta (Mike), Tristan, Justin, Lela, Kayla, William, Alisha, and Ariana. He was the great-grandfather of Nathan, Summer, Riley, Alexandra , Caroline, and Grayson. He loved his family. He sacrificed

for them. He demonstrated God's love and grace to them all and tried to be the best example he could be for them.

Oscar was a man who was passionate about life. He loved people. He loved being around them and sharing his stories with them. He loved to laugh and his smile was infectious. He enjoyed traveling and, more importantly, loved planning every finite detail of his trips, even at the dismay of his family and travel companions. Cookbooks, gardening, and spoiling grand dogs were his favorite hobbies and he loved to just spend time walking nature trails, hiking mountains, or anywhere else it could just be him and God. His life was a testament to the quiet strength of lovingkindness. He will be deeply missed and fondly remembered. Oscar H. Reed lived and loved.

In honor of Oscar's love of people, his church, and fellowship, the family requests that in lieu of flowers, donations be made to Lagoon Baptist Church for the remodeling of their Fellowship Hall.

Due to the Covid 19 Pandemic The Family asks that everyone please wear a Facemask and practice Social Distancing as required by the State Board of Health Guidelines.

Your Health and Safety is important to the Reed Family Thank You for your Support and Love you have shown them at this difficult Time...
