“*Sad to hear the news of Palmer's passing. We shared many experiences in high school and Boy Scouts together with Larry Alsobrook and Sonny Nelson. Saw him last at the Parrish High School class of 1958 gathering a couple of years ago. A good man and a good friend.*

“ Still hard to believe you are gone. You were the best Papa any of us grandkids could have asked for. You gave the best hugs and I will miss them dearly. I love you Papa ❤️

“ Palmer was so wonderful to me at the golf course. He did so much to help me further my career. Gave great advice. I referred to him and Mrs Diane as Mom and Dad. I loved the member parties and our wonderful talks! Will miss him so much.

“ As my papa's first grand-daughter, we had a very close and special relationship. I will always remember him for how strong, bull headed, loving, and funny he was. He helped shape all of us in his immediate family into who we are today. Losing him is a horrendous loss for our family, but as I said to him before he left this earth. It's not goodbye, it's see you on the other side! I will always be grateful for the ALMOST 37 years I got with him, and so grateful that my children knew him and will remember him. I love you papa! Thank you for EVERYTHING! Until we meet again <3 your "Squeaky"

“ As the #2 son, I have a life time of memories! I can't even think of one to start with. I love my father so much and will miss the hell out of him, but as he told me a couple of days ago, "Suck it up and move on". Love you Daddy!

“ Palmer has been in my life for many years. I lost my Father at a very young age. I feel that Palmer has been more of a father to me than I could have ever asked for. I will truly miss him. Please know that we will take care of Dianne. Rest In peace my sweet Father In Law. I will always LOVE you. Your daughter in law Lisa.
