

## Pamela McDaniel

April 26, 2016

Pam Mc Daniel

A beloved wife, mother and grandma, Pam, an Honorable Vietnam Era Veteran, much loved by her family and large group of friends, her sweet and nice laugh will be fondly missed from this fun loving woman who was a former Powder Puff racer when stationed in Germany in the 70's. She will be remembered by her grandchildren as "fun grandma" who danced on the back porch, made cool breakfasts and desserts, read them evening stories and gave their parents great cooking tips.

In lieu of flowers and donations directly to the funeral home, the family respectfully request that any donations be made in Pam's name to any animal shelter, animal charity or children's charity all of which Pam happily supported. Memorial services will be May 28, 2016 at 2:00PM from the Frances and Stewart Kay Home in Mifflin, AL.

RIP Pam

“ *Pam you will always live in our hearts. You have shown us only kindness, love and warmth on our visits to Alabama. It was a privilege to know you and your wonderful family. Your openness and generosity made us feel very much part of that.*

*Your stories about your life in the forces and your many experiences taught us a good few life lessons. Your sense of fun and you're determination to get the very most from life made you a lovely person to just be around.*

*RIP*

*Love always*
