“ *Pat was a special lady. We met in chemo and have stayed in contact for 4 yrs. She was a strong Christian and never complained. I have so many memories like when I gave her a hat and she perked up and showed everyone or when we would go out to eat after therapy. She never complained. I am sure she is with Jesus and no longer in pain. I will see her again one day. Love my friend and to her family.*

“ *Granny was one of a kind! She was thoughtful and caring! She loved her family so much, and you could see the love in her eyes! She had a way of coming into your heart. We felt like she was our family too! She will be dearly missed! I know she is rejoicing in heaven with her husband now!*

“ Pat amazed me with her joy and enthusiasm. She wisely used the time she had left to her by building memories with her family, encouraging them and others, and creating handmade meaningful gifts for those she loved to remember her by. I count it a privilege to have known her. Angie Harrington, Springhill Hospice Chaplain

*I admired Mrs Pat's love for God and her family, strength, and honesty! It was an honor to help bring comfort to a loving lady here on Earth, although I know she is now receiving the ultimate comfort and peace with our Father. Thankful for the opportunity to get to know such a great family. Blessings and comfort to you all.
Much love from her Hospice nurse,
Noele*
