“ From my first breath, Uncle Pat, was my beloved uncle and protector. At 10 years of age when I was born he was really like a big brother- he took me everywhere with him! I have so many memories it would fill a book. He was the family member that made every graduation, wedding, and funeral. He attended many big 4th of July celebrations with my family growing up and in later years with my own family. A piece of my history has passed with him but I will forever be surrounded by his never ending love. Rest In Peace, Uncle Pat- you were always my knight in shining armor.♥♥
