

Patrick Scott Myrick

October 28, 2024

Patrick “Scott” Myrick of Gulf Shores, Alabama, was born February 13, 1970 and passed away unexpectedly on October 28, 2024, at the age of 54.

Scott was a longtime Baldwin County real estate agent and was well known in the industry not only as a top producer at RE/MAX of Orange Beach, but also as a kind and caring coworker. Scott exemplified the Cooperative Spirit award (which he won multiple times) by gladly sharing his talents with others and encouraging the success of his fellow agents. While he had a reputation as the “go-to” person for real estate advice, he also shared his beaming smile and warm heart with anyone who needed a lift.

Scott loved Alabama football, his four cats and most of all, his beautiful wife and soulmate, Tinsley. He and Tinsley shared their love of the Gulf Coast lifestyle and took joy in sharing and selling coastal real estate. They also enjoyed travel and exploring the outdoors, including many sailing and diving trips.

Along with Tinsley, Scott leaves behind his mother Betty DeLoach Foote (John McDonald, jr); his father, Jim Myrick (Carolyn) and many other family members, friends and coworkers.

The center of Scott’s world was his loving family and many friends, both near

and far. He had a huge heart for everyone he came into contact with, and while we will miss him, his generosity and his gentle spirit will continue to inspire and influence all whom he touched.

“ I loved Scott so very much. We went to church together at First Presbyterian Church in Gulf Shores. I am 85 years old and loved Scott as a mother would and I told him so many times. Again, Scott I love you and am heartbroken that you are gone but you are safe in the arms of Jesus. Chris McLeod

“ Scott is my brother-in-law and always has been totally committed to my sister, Captain Tinsley. During the brave treks across the Gulf in Salty Abandon, Salty Scotty was there and gave me comfort when he was first mate. Scott ranks in the very top percentile for those that are always smiling. I've never seen him frown. This is a witness that he had joy from above so I feel like I didn't loose him since I know exactly where he is. He knew the promise of Heaven so he is now worshipping God and Jesus has told him, "Well Done My Faithful Servant."
