“ We knew Paula only for a short time, as RebelMama. We met in state 47 of a silly little phone game called War and Peace. She was loyal... and caring... helped everybody she could while asking nothing in return. Her sudden and unexpected passing has left an indelible mark of grief on our gaming family. As tragic and painful as it is to lose our friend and daily companion of 2 years as suddenly and without warning as we did, she will be remembered as she was...Kind, compassionate, fiercely protective of those she cared about... She was the Mama hen that kept us in check, a powerful influence to make us all better people. To say she will be missed sorely lacks the weight that seems necessary to truly convey the loss. Our condolences are with her family. She had an impact on all of our lives and we will do our best to honor her memory. Rest in Peace Reb you are forever loved.

“ Adrienne, Jessica, Paul and her grandchildren. I so feel your hurt. Know that I love you all and wish I were there with you. She took a piece of my heart with her. I loved her so dearly. She was my very best friend. My heart hurts so bad and I know yours do also. My memories of her are so many from the day she was born I loved her. We laughed and cried together many times. My prayers are with you and will be with you as you grieve. Love Aunt Mary Lou
