

Peggy F Bailey

July 31, 1948 - January 15, 2020

Peggy Flanagan Bailey, 71, of Daphne, Alabama, passed away at her home surrounded by her family on January 15, 2020 after a courageous three-year battle with cancer.

Peggy was born in Pascagoula, Mississippi and graduated from Pascagoula High School. She lived in Mobile, Alabama for many years and worked for QMS as an administrative assistant. She moved to Atlanta, Georgia in 1996 and lived there for 20 years where she worked as an executive assistant and met her husband, John. After retiring from work, she and John moved to Daphne in 2016 to be closer to her children and grandchildren. Since moving, she attended 3 Circle Church and Church of the Highlands Mobile Bay campus. Peggy loved to dance and taught country line dancing for several years. Music always brought a smile to her face and made her dance no matter where she was. Peggy enjoyed the beach, warm weather and seafood, especially crab claws! She also loved crafting. Over the years, she sewed, baked and decorated cakes, made dolls, and refinished furniture. She was a fun, generous, and energetic person. She enjoyed power washing anything she could and would hula hoop anytime one was near. She loved animals, especially cats. She had a variety of pets throughout her life, including a baby squirrel she found and bottle-fed until it was strong enough to survive on its own. Anyone who knew Peggy knew how much her family meant to her. She loved spending time with her family and was a devoted wife, mother, grandmother, sister, and friend. She also most importantly loved the Lord.

Throughout her cancer treatment, she depended on Him and enjoyed reading bible verses and inspirational quotes.

“ Peggy was my first girlfriend. We were juniors at Pascagoula High School. She was so sweet and over the years I often thought of her. I am shocked and saddened by her passing.
