“ My dearest patty I am so sorry for the loss of your wonderful mom! It is still so hard to believe but I know she was in a lot of pain these last several months and we know she is no longer suffering and has been reunited with her sweet soulmate in Heaven! It was an honor to know your mom and I am so thankful for her kindness and generosity for the photo albums she put together for me to cherish for the rest of my life. She was truly a wonderful person and you were blessed to have her and she was also blessed to have you as her daughter! Love you and I will be praying for you and the heartache will be there but as time goes by it gets a little easier but it never truly goes away. Love you and may the Lord give you the strength you need during the tough days ahead. Will miss Priscilla! Your friend. Beverly Searcy
