“ *My thoughts and prayers go out to the family. Ralph will be missed . I have good memories of working at clay city with the whole family and later on in life working with Ralph and Nancy on the single tax board. I considered Ralph and the entire Jennings family great friends. Thanks for all the great memories Fred Watkins*

“ *Ralph was a lifelong friend. We spent many hours playing as preschoolers, working down at the brickyard and enjoying each other as adults. He was one of the most tender hearted and compassionate people I have ever known. He will be missed.

“ I have such fond memories of Ralph. We went from 1st grade through high school together.. In grammar school he would bring all the girls small turtles that he had caught in Fish River and then in the Spring I remember him bringing Camellia buds from his Mother's bushes.  
I am sorry to say that we lost touch latter in life until about 15 years ago when I saw him with his new beautiful wife at an Art Show in Orange Beach. So glad to see such a happy couple.  
We will all miss him.
