“ Although I did not have the opportunity to spend much time with Mr Zapata, I do know his son 's and they have made me realize the kind of man he was. A kind and honest man, a devoted family man. A role model that lived by setting an example by his actions. I thank him and his family for his service in the US Military. He will be missed. I will keep the Zapata family in my prayers.

“ *I remember how my father in law was always giving to those around him, especially to children. He would keep candy in his pocket when going to church - needless to say he was very popular with the children! He will always be loved and I look forward to seeing him in heaven!*
