

Randall Dunn

July 7, 2022

Randall Todd Dunn, age 60, passed away on the evening of July 6th peacefully with his daughter by his side. Randy was born in Tampa, Florida on August 18, 1961. He grew up in Mableton, GA, then relocated to Alabama in his adult years after meeting Melanie Mullen and her two children, Carl and Marilyn. The two were married for several years during which they had one daughter, Heather.

Randy was an amazing musician and a rare talent. Music was his calling and his passion. He was a phenomenal guitarist, his favorite to play being the bass. He was known by all of his family, friends, and band members as one of the best bass players around. In 1978, he and his high school band won Cobb Battle of the Bands. Throughout his years, he traveled all over playing music with several different bands. He eventually became the bass player for “The Tip Tops” where they played locally here in Baldwin County, and surrounding counties and states. After moving back to Georgia, he played with a few more bands up until a few years ago, when he became a full time caregiver for his elderly mother. Randy had a heart of gold.

Randy was preceded in death by his father, Edward Luther Dunn, and his brother, Edward Daniel Dunn. His survivors include his daughter, Heather Thompson; mother, Patsy Ruth Dunn; brothers, Michael and David Dunn; sister, Pam Dunn; grandchildren, Paislee, Dean, and Sam Thompson; and

many beloved nieces, nephews, cousins and friends.

Randy will be missed by all who knew him. We will all remember his heart and his music.

A memorial service will be scheduled at a later date.

In lieu of flowers, the family asks that donations go to Community Hospice (Foley, AL).
