

Raymond J Habisreitinger

January 22, 2023

ROBERTSDALE, AL

Raymond Habisreitinger, 86, passed away on Sunday, January 22, 2023, at his home in Robertsdale. Raymond was more lovingly known as just "Hap." Hap was born in New Orleans, Louisiana, on December 11, 1936, the son of Fred and Carrie Habisreitinger. He attended Tulane University in New Orleans where he received his bachelor's degree in civil engineering and met his wife of 48 years, Johanna Fitzpatrick of Pensacola, FL.

In 1987 Hap moved his wife and daughter, Louise Mackey, to Huntsville, Alabama, where they lived until his retirement in 2007, moving to their home in Robertsdale.

Hap was a life-long learner of great courses in science and history and collected antique fifes as well as other vintage items. His true passion came to fruition in retirement. He spent hours in his "man-cave" making beautiful stained glass pieces, oyster knives to give to friends that were more interesting and sturdy than you could buy anywhere, and the time consuming, tedious task of making cast-nets and hammocks .

Hap had a special affection for Foley United Methodist Church's monthly Fish Fry as "Chief Fry Chef" and provided his own homemade cheesecake to the workers. We will miss shucking oysters with good friends and hearing his corny jokes. ""

He is survived by his wife Johanna and his daughter Louise Mackey of Daphne, Alabama. He was preceded in death by his parents and his sister

Fay Schultz of New Orleans.

Visitation will be 10am to 11am on Tuesday, January 31st at Foley United Methodist Church, 915 N. Pine Street in Foley with the service immediately following at 11am. Please consider gifts to the church in lieu of flowers.

Arrangements are entrusted to Cason Funeral Service in Foley Al
