“ Lynn, we remember the smile on your face
and your laughter when your feet tapped to
the beat of music. You inspired us to keep
going when we missed a beat. Now you are
soaring on the wings of an angel. God Bless
You.

I did not know you, but your sister, Mary Jane and I are good friends,
and I know you through her. May you rest in peace and have no more
suffering. Just remember God takes the best of us and you are
certainly one of them May God with and your family and I know you will
always be watching over them.
