“ *"MY FOREVER SISTER" A beautiful Red Bottle Brush for my one of a kind beautiful "Forever Sister" Gina. The bottle brush tree you had was always one of your favorites. Today marks one year since your passing onto Heaven. I will tell you my sister, it has been a long sorrowed path. We are still at a loss on how to carry on in so many ways without you. How are there to be gatherings without you. You were surely the life of every function that was held. The Autumn days we are having surely bring thoughts of you. The beautiful sunshine and cooler temperatures, the falling of the leaves, the clear night skies where the stars of Heaven are so visible. The glowing orange of pumpkins, and the smell of pumpkin spice. We long to talk to you, to see you, to hold you, and yet we cannot do so any longer. We would not wish to be selfish and take you from your true home "Heaven", but we surely miss you so...much. With Love, your youngest brother Timothy. Psalm 48:14 Psalm 49:15 Luke 7:50*

“ *"My Forever Sister" another example of your thoughtfulness. A lemonade decoration stand you created for our Mothers Birthday in 2017. All the thoughtfulness and love you were always doing on such occasions. There is no one who could ever take your place. We all love and miss you so very much.*

“ Regina’s faith and spirituality were important aspects of her life. She adored historic churches: the architecture, stained glass and artwork. In honor of her memory I am lighting votive candles in churches and cathedrals that I visit across Europe and wherever my travels take me. The small donations provided for the candles will help keep this historic tradition of remembrance alive and support these historic, and sometimes ancient, places of worship. — her brother James
