Relan Mae Lowery

Born: Allentown, Florida Jan 8th 1939

Passed Away: October 29th 2020

Resided: In Pensacola, Florida

Worked and Retired from Monsanto after 35 years

Our Mom was the greatest woman ever, she enjoyed many things in life including, having family and friends over all the time including holidays. She would spend hours in the kitchen cooking, and made sure we all had pecan pies, divinity, fruit cake and candy to take home.

Mom had a open door policy anytime a friend or family member needed help. They were welcomed to stay as long as needed to get well or back on their feet. She also was a care giver to my aunts and grandmaw.

Mom was loved by all who knew her. I know in heaven she was welcomed with open arms. But she will be truly missed here on earth. But we will be with her again one day. God Bless her and keep her safe for all of us.

Hobbies included: Cooking, crossword puzzles, reading, fishing, crocheting, regular puzzles, bingo on her tablet, crafts. And spending all the time she could with her grand kids, and great grand kids.

One year she crocheted a Barbie Doll Wedding dress and took 1st place at Pensacola State Fair.
