“ I know my mother-in-law is flying high on the wings of a dove and having a grand ole time. May your journey take you straight to the arms of your beloved husband Howard and the right hand of God. Enjoy forever with him and all the other angels you shall be surrounded by. No longer do you have to suffer at the hands of mankind or any who would take advantage of you. You always did want to be in control of your life and now you can again in the after life. Fly high knowing that God will take care of those who did you wrong on this earth. He can see the lies of the deceitful heart better than we can. He knows all and will judge accordingly. I Rejoice in the knowledgedge that you now stand at our Saviours side. . Your family will see you again at the Pearly Gates. Until then R.I.P.

I have posted a personal message of condolence 2 times before this and they are not showing up, so here I go again. My condolences to my husband Howard, in laws Mack, Margie and Julia. Your mom is no longer in pain. She no longer has to fight health and mental issues which continued to diminish. She is standing next to your dad-Howard_ and t the right hand of God. You will all see them again when you are called home for the final time. God was watching over her before calling her to his side. He was protecting her from the evils in this World. Gods WILL be done. Be at peace with the knowledge you will all be reunited. Until then R.I.P. Renate Ford.
