“ Our thoughts and prayers are with his family and loved ones. We met Richard about four years ago in Orange Beach, Al. We feel truly blessed and honored to have known Richard. Richard always had a big hug to give along with a smile and a joke. Our hearts are broken without him and our lives have forever been changed. We have so many wonderful memories that we will forever cherish of our friend. Richard was one of the most loved people that I know in Orange Beach and was a joy to be around. Thank you to his family for sharing such a wonderful person with this world. The one thing I admired the most about Richard was his love for his friends. If you were his friend, you were his friend for life. He will truly be missed and we are all heartbroken without him.

Our thoughts and prayers are with Richard's family during this very difficult time. We pray you find strength in knowing how many people truly loved him. Again, it was true honor to be part of his life.
