“ *Richard was my cousin and he will be missed. As young people we saw each other but then he moved to different states and so I didnt get to see him but we talked on the phone a lot. He was a great cousin and proud of him that he played the trumpet and after school he played in some good bands. He had a lot of accomplishments. He had 2 children and four grandchildren who will miss him.*

I worked with Rich in real estate in Fairhope, AL. I also represented him in the sale of his small house on Azalea St. I just saw his obituary and my deepest condolences to his family and friends.

“ *My cousin Richard was a great guy and had a very nice family. We didnt see each other much because of the distance we lived apart but we kept in touch by phone. I did remember he was a great trumpet player and played with some really good bands. He loved his kids and grandkids.
He will be missed.*
